

### **Presidents Corner**

First I would like to thank Jeanine for coming forward and taking on the responsibility of organizing the newsletter. The newsletter will be sent via e-mail and posted on the website. There will also be a few printed and made available at the ranges. If you know someone that does not utilize these forms of communication, please print one for them so they stay informed. Also if we do not have your e-mail, please send it to [rncaps@q.com](mailto:rncaps@q.com) to have your record updated.

The Granite Basin Range has had the Robert Frushon Training Center removed and placed at CVSF. Otherwise there is little to report all is well with good attendance. See below for NEW hours of operation.

The CVSF also has NEW hours of operation below. We now officially have really nice separate men's and women's bathrooms!!! Pass the word on to all the ladies out there!! The Range is recording more shooters than the Granite Basin Range. We have applied for more NRA Grant money.

We will be holding our Annual Meeting in the spring, **WE NEED BOARD MEMBERS.** Please consider becoming a Board Member.

Until next month, happy shooting!!

Cindy Ksenzulak

## **Jr Marksman Report**

Joe Crognale ran The Jr Safety Training Program which was completed at the end of July and 13 Juniors earned their Certificate. We had two Junior High Power Shooters attend the National Matches at Camp Perry as part of the Arizona Team. I would love to have our own Northern Arizona Team, but we need a coach. If you have any interest in this, please contact me at [cindyk@commspeed.net](mailto:cindyk@commspeed.net). The team is equipped with equipment, has ammo, has a budget it just needs a coach.

## **Practice Sessions for Cowboy Shooting and Other Action Matches**

*by Wetzel Lewis*

Hooray! Finally the Action Bays are approved, and are under construction. An “Attaboy” for Range Master Scott Russell, who is a retired heavy equipment operator, and is donating his time to run the earth moving equipment. Scott also secured the use of a humongous earth mover for no charge to the club, compliments of Travis Cornwall of Charter Materials on Perkinsville Road just east of CVSF. The value of this donation will rapidly end up on the high side of \$5,000!.

As soon as the bays are finished, we will host Cowboy Shoots, both CASS and SASS - style matches, and will eventually have both sanctioned by those organizations. Also, a version of Steel Challenge and ICORE(International Congress of Revolver Enthusiasts) matches will begin.

FOR THE MEANTIME... We are holding practice sessions at CVSF on Friday afternoons at four o'clock until too dark to see or the ammo runs out. Well, not quite that late. Probably around 6 PM. We ask for a two dollar materials fee to pay for paper targets and spray paint for steel targets plus a ten dollar range fee for NON-Members. Spectators are welcome at no cost and must have eye and ear protection.

COURSE OF FIRE will be a mix at the practices for a while. Autos and revolvers that are suitable for steel or paper matches will have their own class. Cowboy guns will also have a class, including double barrels and '97 Winchesters. Shooters in modern gun class, pumps and semis are okay.

FOR NOW it's all about having some fun, learning something about the different disciplines. Bring whatever you have to shoot. We'll mix or match. See you at 4PM Fridays at Chino Valley Shooting Facility!

## ◆ ◆ ◆ **Muzzle Loading Match, Sunday 8 Sept.**

We had a muzzle loading match today, Sunday 8 Sept. We had 13 steel silhouette targets on the range. Twelve were shot twice and the last one was the tie-breaker. There were nine shooters that started the match, but two dropped out with equipment issues. The seven included Tim Thorne, Lee, Chris Repp, Gene Hitney, Pete Repp, Nori Thorne, and Reinhold Link. The match winners were: Tim Thorne, Lee, and Chris Repp. The ladies were shooting in fine fashion in the rain. We had a cool, overcast day with scattered showers. We also had two visitors that were just there to bolster the number of folks in attendance and to watch the shooters. I would like to welcome Tim and Nori Thorne to the area and to the matches. They learned of the match through the PSC Calendar.

Next muzzle loading match is scheduled for October 13, 2013. There will be paper targets for October. Shooting will start at 10 AM, with set-up beginning at 9 AM.

I would like to invite any who are interested in muzzle loading to join us on the second Sunday each month.

As always, any questions, comments, or concerns, please call or email me: Dana Dore, 602-791-5236, [djdore@jps.net](mailto:djdore@jps.net).
