Liability

I understand that shooting at steel targets may be dangerous and I assume any and all liability.

I hold harmless Chino Valley Shooting Facility and Prescott Sportsmen's Club Inc. and The Town of Chino Valley from damages or physical injury that may result from this activity.

Having accepted all of the risk of arising out of the presence on the range, I hereby release Chino Valley Shooting Facility, Prescott Sportsmen's Club Inc., the Town of Chino Valley and any other organization sponsoring or supporting this activity (including all directors, officers, employees, and volunteer workers) from any claim, claims, demands, actions, causes of actions, or damages of any kind whatsoever, whether or not known suspected or claimed, which may arise directly

or indirectly from my presence, participation and/or activities.

CARDINAL RULES OF FIREARMS SAFETY:

1. Treat all firearms as though they are loaded
2. Point the muzzle in a safe direction at all times
3. Keep your finger outside the trigger guard until you are on target and have decided to fire
4. Be sure of your target and what is beyond it

RULES FOR SHOOTING ON STEEL TARGETS:

- * For Rifle, Steel targets will be set no closer than 100 yards.
- * For Pistol, Steel targets will be set no closer than 25 yards.
- * For Shot Gun (Slug), Steel targets will be set no closer than 100 yards
- * For Shot Gun (Game Load Only) Steel targets will be set no closer than 25 yards.
- * No calibers larger than .308
- * Maximum ammunition velocity is 1,500 fps for handgun targets and 3,000 fps for rifle
- * Never use armor-piercing, steel-core, or other hardened ammunition
- * Never use steel shot, pellets, BB's, or other air gun projectiles
- * Always wear wrap-around eye protection and proper hearing protection
- * It is suggested you wear a hat with a brim large enough to protect the front of the head and face
- * Long pants and long sleeves are recommended
- * Never use steel targets for purposes outside their scope of design
- * Spectators must also wear proper eye and ear protection
- * Never shoot on steel targets that have been damaged or deformed in any way
